Weather Info!

With the height of hurricane season upon us, please let the following be a reminder in case of delays or closings of school:

1. We will always follow Onslow County Schools' decision to close school or delay opening on the first day of inclement weather.
2. After the first day's decision, watch your local stations for "Living Water Christian School "Closed" or "Delay."
3. If on a delay, there will be no morning care available. If we are on a one (1) hour delay, school will begin at 9:00; a two (2) hour delay, 10:00 . . .
4. If at all possible we will post closings and delays on our website: www.lwcs.net

Please check the site before calling the school since our lines will be very busy. Thank you!
